Greetings,

As Chair of the City's Housing Committee, I am proud of the work we did this past year to protect Rent Stabilization Ordinance (RSO) units and advocate for affordability citywide. Together, the Housing and Community Investment Department and the Housing Committee moved forward several legislative proposals to strengthen the City's RSO housing stock. These proposals included:

- **Foreclosure Eviction Moratorium**
- **Seismic Retrofit**
- **Enhanced SCEP Pilot**
- **REAP Technical Amendments**
- **Rent Registry**
- **Technical Amendments to RSO**
- **Ellis Act Amendments to RSO**
- **Buy-out Agreement Amendment to RSO**
- **SCEP Tier Inspection Program**

2017 is another opportunity to continue fighting for housing affordability in the City of LA. We look forward to working with you to **#HouseLA**.

Sincerely,

Gil Cedillo  
Chair, Housing Committee
